

Long Mountain Newsletter Friday 28th September

'Let Your Light Shine'

Matthew 5- 15:16 Sermon on the Mount

Tales from the Office Friday 28th September 2023

Another busy week at Long Mountain. I would like to thank everyone who made me feel so welcome at the PTFA Meeting on Thursday night. It was lovely to hear about all the amazing things that you do for the school and how you are planning to support us in the future. I am very sorry I could not stay for all of the meeting.

During the week I had the pleasure of meeting Jon Newson, who took me to visit Worthen Village Hall and tell me all about how they support the school and what they can offer us. We have agreed to hold the KS1 Christmas production at the hall - I feel this will allow the pupils to not only experience the 'Big Stage' but also to allow us to serve refreshments after the event. From our meeting I can really see how we can use the space to support events in the future.

We had another action packed football club on Tuesday night and I am pleased to say I will be able to take 9 children to a football match this week at Shrewsbury School to compete against local schools. This is the start of us taking part in more events outside of school hours as I know so many of the children who come to the club want to play against other teams.

We would like to shout out a very loud WELL DONE to Mrs Hillard this week from Pre-

School who completed her Level 3 Award in Child Care. All the staff knew she would do really well in her assessment and we were so proud to hear that she had gained a distinction for all of her hard work.

I will save the best for last though - this week I managed to join pre-school on a walk to the local shop and a stroll around the church yard. They enjoyed a drink and some biscuits on their return, which they had bought from the shop. I am not sure why I had to carry all of their shopping bags back up the hill to school though!

Anders Rowlands.

PTFA Meeting Thursday 28th September Update

A message from the PTFA:

Thank you everyone who came to our AGM last night. It was brilliant to have to fetch more chairs! Claire Owen has been re-elected as PTFA Chair for another year. Laura Morris stepped down as Vice Chair but will remain as a Trustee. Grace Pulford has been elected our new Vice Chair. Becky Williams was re-elected as Treasurer, and Heather Price was re-elected as Secretary.

Helen Fletcher, Stuart Potter and Andy Thompson were also re-elected as Trustees. Natalie Jones stepped down as a Trustee and Claire Hotchkiss has been elected in her place.

It was great that Anders Rowlands, our new headteacher, was able to come along. PTFA will be funding the cost of the Panto bus and funds have also been allocated to each class

and pre-school to assist with the cost of trips this year. Lots more discussed, including plans and ideas for future fundraising and ways we can support the school.

A few parents have been asking if the disco is going ahead this term – it is! Please see the poster for details. Donations of spooky costumes also gratefully received.

Thank you everyone. Here's to another great year of fundraising and experiences for the children!

Parent Governor Vacancy

PARENT GOVERNOR REQUIRED

Parent Governors play a vital role on governing bodies, holding the unique position of having a parental viewpoint of the school. Through the children, they have a first hand experience of the delivery of the curriculum, and how the school is perceived from the community's point of view. This enables parent governors to bring a different perspective to the strategic management of the school.

TO EFFECTIVELY FULFIL THE ROLE, PARENT GOVERNORS SHOULD:

- ✓ Attend four governing bodies meetings during the year
- ✓ Attend training as necessary
- ✓ Get to know the school
- ✓ Present a balanced view of issues, representing different sections of the community

Please contact the school office for more information or how to apply

money raised will go towards the cost of Messy Church 10.30 -12.00

Birthday Cakes

Over the last couple of weeks we have had questions regarding children bringing cakes in to school to celebrate their birthday and other special events. We have looked into this and due to the different allergies children in school and Natasha's Law we will only accept shop bought cakes which are in a sealed box.

COMMUNITY APPEAL

The Rea Valley foodbank was set up in partnership with Shrewsbury Food Bank PLUS to provide parcels of donated food, toiletries, cleaning products and household items to individuals and families every week. These are unprecedented times of soaring energy bills alongside a huge rise in the cost of food and other necessary items, making foodbanks an essential service. Numerous Rea Valley households have faced hardship and during our first year we have given out 7 tons of produce.

Unfortunately, our incoming food/hygiene donations have fallen very short of that at just 2 tons and so far the Shrewsbury Food Bank Plus has made up our shortfall every week. While we may never be independent, it would be good if we were able to provide more of our own locally donated items.

We desperately need in-date tinned and packet foodstuff, toiletries, cleaning products, pet food and nappies. If you are able to donate and can help us to help others in our community please drop off at the following venues, at the dates and times listed.
